Welcome

Our home ground is at the Maleny Showgrounds on Maleny-Stanley River Road, Maleny. We promote a fun, safe and fair environment to ensure players, parents, coaches, officials and administrators alike all enjoy football and stay involved.

For any families interested in playing the beautiful game with the round ball, please contact our Club Registrar or for a general enquiry please contact our club President (contact details are listed below). We look forward to seeing new and old faces back in the 2019 season.

To keep up to date with what's on during the season, please regularly check our website, Facebook page, and/or check out our club noticeboard outside of the canteen.

Coaches and Managers

Coaches and Managers are the face of our Club. Through them, players and parents are kept in touch with the Club developments, information and general team progress. In any situation, your Coach or Manager should be your first point of contact with the Club. They will decide all team matters in liaison with the Club Executive.

If there is a problem, please see them first as they will probably be able to sort it out. If the problem is still unresolved, please contact the Director of Coaching. Respect their decisions and be available to help out wherever possible. Remember, a team's success is directly related to the amount of support given to its Coach and Manager and You. Be a supportive part of that process.

Players Rules & Information

Training days: Team Managers will contact parents with details of training days and times as soon as these are finalised.

Things to Bring to Training: Each player must bring boots, shin-pads, and water to drink. (N.B. no shin-pads+boots=no training)

If you can't make training: Coaches and managers must be advised if players are not able to attend training. If players miss training without a reasonable excuse, they may not be able to play the next game. Please collect players from training promptly. The coaches are generous enough to sacrifice their time to train our children-please don't expect them to hang around after training as well. If children are permitted to walk home, please inform the Coach.

Training in Wet Weather: Assume that training is always on, unless your Coach or Team Manager advises otherwise.

Uniform: Each team is sponsored and has had their jerseys purchased by businesses in our community. Therefore jerseys are supplied and to be worn at games only. Each player must supply their own soccer boots, shin-pads, club regulation socks and shorts. Shorts with any other stripes or emblems are definitely not allowed. Skins are

permitted providing they are navy and not exposed. The referee can quite rightly refuse a player with the incorrect attire.

Water at games and training: It is not the Manager's or Coach's responsibility to provide water. It is very important that the players maintain a good intake of fluids. Please ensure that players bring their own water bottle - clearly named to avoid confusion.

Sun Protection: Caps are not allowed to be worn on the field during games, so please ensure that sunscreen is applied and hats worn before and after games as our Qld sun can still be very harsh and cruel in Winter. Bucket hats are acceptable for small sided games.

Games: Will be played on a Saturday, except for Senior's on Friday nights. Please ensure that you are at the ground at least half an hour prior to the start of the game. All players are expected to play home and away games (to only play home games is totally unacceptable.).

Team Managers and Coaches: All parents and players must accept that, while at Football, players are under the direction of their Coach and Manager. Players must respect their Coach and Manager and always follow instructions given by them.

Ground Official: The Ground Official is required to patrol all fields, to ensure spectators are not in prohibited areas (ie behind goals), display acceptable behaviour (non-smoking, appropriate language) and to ensure the best possible atmosphere for everyone to enjoy the game.

Games in Wet Weather: Assume games are on as scheduled unless the SCF wet weather page states otherwise. Please get confirmation from your coach/TM. Any cancelled games will be rescheduled (usually the next Sun).

We will also hold a Seniors Presentation Dinner for our Men's & Women's teams prior to this event.

Member Participation

The success of the Club has always been achieved through great member support throughout the season. Participation in basic Club activities such as canteen assistance, field preparation, working bees, team management and coaching, or, selling raffle tickets help to build a more efficient and better club.

We encourage everyone to lend a hand and join in the fun of our Club. And remember "many hands make light work".

Fund Raising

Registration alone does not cover all the necessary expenses associated with the club. Your support with our fundraising activities through the year, means better facilities and resources for our players. Please contact our Secretary for more details.

Food stalls at various community events: Our food stalls gives us a great return for our volunteer donations and labour.

Club Game Day & Training Canteen: please assist our Canteen Convener by helping out before or after your home games.

IGA Community Benefit program: please register your number to the Maleny Rangers Football Club.
