MALENY RANGERS FOOTBALL CLUB

Coaches and Managers

Coaches and Managers are the face of our Club. Through them, players and parents are kept in touch with the Club developments, information and general team progress. In any situation, your Coach or Manager should be your first point of contact with the Club. They will decide all team matters in liaison with the Club Executive.

If there is a problem, please see them first as they will probably be able to sort it out. If the problem is still unresolved, please contact the Director of Coaching. Respect their decisions and be available to help out wherever possible. Remember, a team's success is directly related to the amount of support given to its Coach and Manager and You. Be a supportive part of that process.

Players Rules & Information

Training days: Team training is in addition to MRFC Academy sessions. Days and times to be advised. Coaches must be advised if players are unable to attend a training session.

Things to Bring: Each player must bring boots, shin-pads, and water to drink.

After training: Please collect players from training promptly. The coaches are generous enough to sacrifice their time to train our children-please don't expect them to hang around after training as well.

Training in Wet Weather: Assume that training is always on, unless your Coach or Team Manager advises otherwise.

Uniform: Match jerseys are supplied and remain the property of the club. Each player must supply their own boots, shin-pads, club regulation socks and shorts.

Water at games and training: It is not the Manager's or Coach's responsibility to provide water. Please ensure that players bring their own water bottle.

Sun Protection: Caps are not allowed to be worn on the field during games, so please ensure that sunscreen is applied. Bucket hats are acceptable for small sided games.

Games: Please ensure that players are at the ground by the time advised by the coach. This is usually up to an hour prior to kickoff. All players are expected to play home and away games.

Team Managers and Coaches: All parents and players must accept that, while at Football, players are under the direction of their Coach and Manager. Players must respect their Coach and Manager and always follow instructions given by them.

Ground Official: The Ground Official is required to patrol all fields, to ensure spectators are not in prohibited areas (ie behind goals), display acceptable behaviour (non-smoking, appropriate language) and to ensure the best possible atmosphere for everyone to enjoy the game.

Games in Wet Weather: Assume games are on as scheduled unless the SCF wet weather page states otherwise. Please get confirmation from your Coach or Manager. Any cancelled games will be rescheduled.

Club Merchandise

Available at our Club Information Day, Academy training days and the club canteen on match days.

Presentation Day

At the end of the season the Club has a Family Fun Presentation Day where all the children will receive a trophy and other club awards will be presented, with a free BBQ lunch for members and their families.

We will also hold a Seniors Presentation Dinner for our Men's and Women's teams.

Member Participation

The success of the Club has always been achieved through great member support throughout the season. Participation in basic Club activities such as canteen assistance, field preparation, working bees, team management and coaching help to build a more efficient and better club. We encourage everyone to lend a hand and join in the fun of our Club.

Fund Raising

Registration alone does not cover all the necessary expenses associated with the club. Your support with our fundraising activities through the year, means better facilities and resources for our players.

Food stalls at various community events: Our food stalls gives us a great return for our volunteer donations and labour.

Club Game Day & Training Canteen: please assist our Canteen Convener by helping out before or after your home games.

IGA Community Benefit program: please register your number to the Maleny Rangers Football Club.

Sponsorship: The club offers several sponsorship packages designed to maximise mutual benefit. Please contact our President for more details.
